The *Falcon* News

In Memoriam
Jimmie D. Throgmorton
1929-1994

January 1995

THE FALCON CLUB OF AMERICA, INC. is a nonprofit organization dedicated to preserving the FALCON automobile built by the Ford Motor Company from 1960 to 1970. Roy E. Sword (501/982-4240) founded the worldwide club in 1979. It is incorporated under the laws of the State of Arkansas. Yearly dues to The Falcon Club of America are $20.00 ($25.00, payable in U.S. funds, outside the United States) and are payable to: The Falcon Club of America, P.O. Box 113, Jacksonville, AR 72078-0113.

THE FALCON NEWS is published monthly with information from its members. All copy for The Falcon News should be sent to the editor, Kathy Lerner, 2721 Gilboa Ave., Zion, IL 60099-2421. Copy must be received by the first of the month preceding date of issue.

Northern California Falcon Group, 6501 Halifax St., Citrus Heights, CA 95621.

In Memory of
Jimmie D. Throgmorton

Today, December 17, 1994, the Lord took Jimmie to be with Him. I know in my heart that Jimmie is home now; he would not have us grieve at his passing, but remember that he gave us his all.

Jimmie knew no middle ground, no mediocrity, no excuses. Jimmie was a man's man; a man whose Christian and moral values were prominent in all he said or did. When honesty and integrity are spoken of, Jimmie's name should top the list, he knew no other way. Those who had the misfortune of not really knowing Jimmie may have felt there was a certain hardness about this man. In reality, beneath the soft shell was an individual of great compassion. A loving, caring man who would go far beyond the call to help those in need. A person given to avoiding words or deeds that would hurt or offend his fellow man regardless of conviction or place in life. A man strong and proud enough to be silent when others would scream. With the wisdom of this man was also a humorous side. He seemed to laugh the loudest when the joke was on himself, not on others.

Jimmie gave to this club what cannot be seen or even felt. His love and dedication, honesty and integrity were there every day for all of us for over 15 years. The good public image of this club was established and maintained through his hard work and devotion. The financial structure and stability of this club are due solely to his consistent work ethics. He would rather have taken a dollar out of his own pocket than spend a penny of your funds. Jimmie was the life and blood of the Falcon Club of America! He greased the machine when needed and made adjustments as they were required, all in the silence of the background. He worked every day for us so that this club would not know failure like so many others.

I know today that God has given Jimmie his reward, and if He happens to fancy a Lincoln or Falcon, Jimmie is the man to rebuild it. His memory will be our strength to continue.

Our prayers, love and sentiments are with you, Ruby.

With deepest sympathy from the FCA,
Marty

FCA Membership:

The Board of Directors and I have appointed Roy Sword to be our Acting Treasurer of the FCA until we have our annual election of officers in July in Texas.

Jimmie Throgmorton will be a tough act to follow. Roy and Jimmie started working together many years ago, and I don't know anyone better for the job.

Thanks, Roy, from the FCA and me.

Jim Hatcher, FCA President

President's Message

Happy New Year! I hope you all have a very prosperous one. We're off to a new Falcon year with lots of exciting things to come.

The Lone Star Chapter is working on another super National Meet for us this summer. There are a lot of ISCA shows and other shows going on during this lousy time of the year, so get the Falcons out to these shows. They are starting to realize that we, the Falcon Club of America, and our cars are for real.

I hope everyone is enjoying the colored pictures in the centerfold of the *Falcon News*. We are trying to improve it for all, but we still need input from all of you. A lot of the pictures sent to Kathy cannot be used. If you have some good articles with pictures, call Kathy and she'll inform you what she needs to publish them.

Take care and have a great year,
Jim Hatcher

Editor's Note:

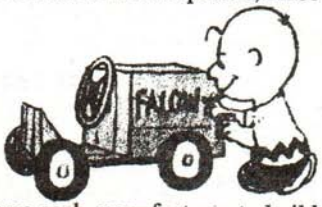
Please forgive the lateness of this newsletter, but with the recent events affecting the entire membership, I felt everyone would understand. Bill and Kathy Woodell have assured me they will do their best to get the newsletter printed and mailed just as soon as they can.

Kathy Lerner

Vice President's Message

The criteria was to design and build a completely new car that would weigh no more than 2,500 pounds, seat six adults comfortably and get 30 miles per gallon, on kerosene if need be. For motivation, a brand new thin wall casting displacing approximately 2.3 liters. Where have we heard that? Turns out the 2.3 is just a tad under 144 cubic inches!!! Hmmmmm. How about 2.8 liters? That equates to 171 cubic inches. Sounds like Ford established today's displacement standards long before the rest of the automotive industries gave it a second thought. The intake manifold would be cast as an integral part of the head. Unique and superior in that there were no bolts to loosen over time, thus no bothersome vacuum leaks. Brand X added this feature to some of its own sixes, only this innovation came in the '80s.

How about a wheel base somewhere around 110 inches? That is not an *econo* car by today's standards! An automobile of this proportion today will cost you well over $25 thousand — *American*! Six passengers? Not even a Volvo station wagon! For a vehicle of this size you will also get a *porky* extra half ton or more of plastic, miles of wiring, senseless sensors, paper thin metal and water-based paint added to the bottom of those oversized *gatorbacks*. Can't forget the stylish five mile an hour bumpers that must hold the damage of a two mile an hour impact to less than a third the total cost of the car. Your government did that for you?



The "Fed" wants clean air now! Yet it allows each manufacturer to build thousands of cars each year that *do not* meet today's emissions standards. The actual number of new *dirty* cars and miles driven per year far exceed the numbers of *special interest* vehicles such as ours. You could actually and easily be the owner of one of these new *gross polluters* and not know it until the warranty expires.

By now, you are probably wondering just what is the point of all this meandering. Well, it's simply this: Why must the manufacturers build a 3,500+ pound car, powred by a 2.3 or 2.8 liter engine, which will seat only four passengers, achieve less than 30 MPG and cost close to $30 thousand? Take a half ton off of every car on the road today and what would you have? About 30% less pollution! About 30% less fuel consumption! About 30% less tire wear! About 30% less cost to the consumer! A car about 30% as good as a Falcon that only cost $18 thousand more than yours did when new.

Still trying to justify restoring that old Falcon???????????

Love ya all,
Marty

In the Spotlight from Endicott, NY

"Awesome" 1962 Falcon Futura

We have just finished a one-year ground-up restoration of my 1962 Falcon Futura. It had 38,040 miles on it when we bought it from Dave Narby of Courtland, NY, in November, 1990, and now has 40,422.

This Falcon Futura was originally bought new in Syracuse, NY, where it was driven 37,801 miles. That's when Dave bought it in September, 1989.

Because it had been on a farm and used for farm work since it was new, the Falcon was rusted and dented. We spent three years finding the parts needed to bring it back to life. With Craig Sullivan doing the bodywork and Bill Dixon applying the original (Ocean Turquoise) color, the result is "Awesome." It is powered by a 170 six with a Ford-O-Matic two-speed.

I have owned many Falcons through the years, but this one is, by far, the fanciest.

Each year I travel to many car shows and Falcon Club events, and yet I see very few 1962 Falcons and no 1962 Falcon Futuras.

Falcons forever!!!

Submitted by R. J. Davies

To Advertise:

FCA members are entitled to two free ads per issue (limit 50 words per ad). Each ad must appear in a difference section of the Classified Ads. The FCA will not be held responsible for errors (legitimate errors will be corrected in the next issue when requested). All ads for the classified section must appear with a member's name to be considered a free ad. All items advertised for sale must have a price for the ad to run. Ads to be run in more than one issue must be resubmitted each month.

Commercial ads will be accepted on a space available basis. All copy for commercial ads must be camera-ready. Commercial ad rates (per month) are: Full page — $50.00; Half page — $30.00; Quarter page — $20.00; Quarter page photo ad — $15.00 for members, $25.00 for nonmembers.

All ads should be sent to the editor. Payment must accompany the ad, with the check or money order payable to the Falcon Club of America.

Ad must be received by the first of the month for the next month's issue.

The FCA reserves the right to refuse advertising from any person or business.

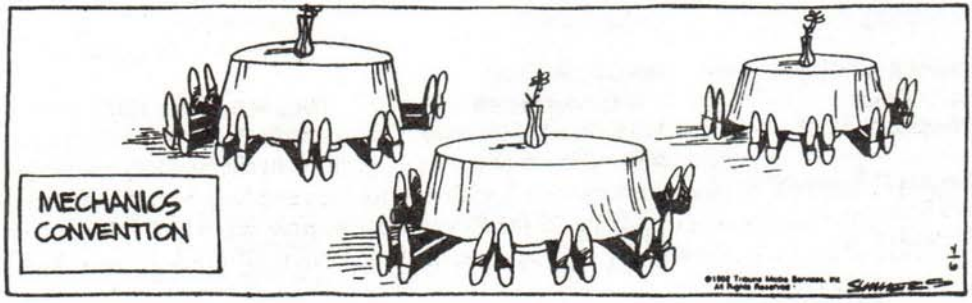
— Please read carefully the boxed info regarding "To Advertise" for costs (if any) and other pertinent information.



Chapter News

The ***Founder's Chapter*** held its November meeting at Shoney's in Little Rock. Sixteen members were present. Congratulations to newly elected president, Ezra Wingfield. Other officers are Sandi Menzie - vice president and Kay Powell - secretary/treasurer.

It's been a great year for the ***Mason Dixon Chapter***. There have been a lot of improvements to the Falcons and some new members joined the chapter. Plans are well underway for the annual dinner that will be held on Saturday, March 11, 1995, at the Yankee Restaurant in Glasgow, DE. Members are also planning to attend the 1st Annual All-Ford Nationals to be held in Carlisle, PA, on June 9-11, 1995. Member Alan Watts of Victoria, Australia, visited with many members during his recent vacation here.

Twenty members were present at the November meeting of the ***Carolinas Chapter***. Arrangements for the chapter's 1995 Fall Regional that will be held on September 22-23, 1995, were discussed. Officers elected for next year are Butch Willis, president; James Baxter, vice president; J.C. Teeter, treasurer; Jim Knapik, secretary/newsletter editor.

The ***Suncoast Chapter*** held its Thanksgiving meeting in the home of Danny and Mar McMahan of St. Cloud, FL, with 28 present and eight Falcons. A fabulous spread was served — three smoked turkeys (smoker was started at 2 a.m., turkeys in at 3 a.m.) and food for 50. Plans were discussed for the upcoming chapter elections and the 5th Regional Meet that will be held on April 27-29, 1995, at the Best Western Diplomat, Lakeland, FL. Afterward the car went to "Old Town" where a place of honor had been reserved at the Saturday Night Cruise. Joe Stowe was interviewed on the radio and received a checkered flag — $25.00 gift, case of oil, car wax, and two T-shirts!

Old Hickory House in Tucker, GA, was the site of the meeting of the ***Southeast Chapter***. Twenty members were present. Officers elected for 1995 were Ricky Kerbow, president; Lynn Moon, vice president; Leon Goddard, treasurer; Betty Goddard, secretary; Brenda Burrell, editor. They discussed making an album with all members' cars and something about the cars that can be taken to car shows.

Eleven Falcons (and two wannabees) from the ***River City Chapter*** recently cruised the back roads of the Mother Lode up to Apple Hill. Everyone enjoyed the food, shopping, more food, and dancing.

The ***Mile-Hi Chapter*** had great weather to enjoy their annual Air Force Academy brunch and skill challenge. Thirty-four people in sixteen cars participated. Men and women both competed in identical competition which involved six different measured accuracies (no speed events!!). First place winners were Ron Brown for men and Judy Scott for women.

The last event of the season for the ***Keystone Chapter*** was a Fall Foliage Meet at Chet and Becky Wisneski's. After a great cookout, the Falcons went on a drive to Look Out Point.

The 1st annual Christmas banquet was held by the ***Blue Ridge Chapter***. A plaque of appreciation was present to Louis Burrell for being founder and charter president of the chapter.

Falcon Club Store
